**Here's how Selkirk handles gift cards when you use my  
Promo Code "ADV-GBOYLE"**

Everyone who uses your personalized coupon code at checkout on [selkirk.com](http://selkirk.com) or [selkirklabs.com](http://selkirklabs.com) will receive a gift card with their purchase. **(Note: They will see one penny off the order which will alert them the Gift Card promotion was properly activated. Unfortunately, we are not able to give an actual discount because we have agreed not to undercut our valued dealers.)**

Please let your referrals know that **they will not see the gift card in their cart at checkout**, but our Accounting Team will issue their gift card 7-10 business days after their order has been completed.

Here is how the gift cards work (minimum order amount: \$50)

- Orders from \$50-\$100 will receive a \$10 digital gift card.
- Orders from \$101-\$200 will receive a \$20 digital gift card.
- Orders from \$201-\$300 will receive a \$30 digital gift card.
- A** • Orders over \$300 will receive a \$40 digital gift card.

**AND HERE'S GENE'S ADDITIONAL TIP:**

The gift card amounts are based on the price of the paddle or accessories, not including tax or shipping.

So for example if you purchase a \$200 paddle, add another item that puts it just a dollar or more over the \$200 amount and you'll get the \$30 gift card.
